About the Trade Mission

PACCI and Partners; Pitch World Fast, BG-ICC are excited to lead a dynamic Trade Mission to Algeria in mid-December 2023. This **multi-sector mission** is designed to promote and strengthen trade relations with Algeria.

The program aims to provide an **enriching experience with** active participation in an engaging B2B matchmaking session on **17 Dec** and **Algeria's Investment Forum December 18 and 19**. Optionally, at your own cost, you have the opportunity to explore the mesmerizing touristic attractions.

WHO? Will Be There

The trade mission delegation will be made up of senior executives from **12 to 25** companies based in Africa. The diversity and expertise of our delegates promises a dynamic and fruitful exchange of ideas and opportunities.

Connecting with Algerian Businesses

Renewable Energy Strategy visualizing speculation of **US\$100bn by 2030**

Algeria repealed the 49-51 rule except for some strategic sectors.

Algeria has everything to succeed: smart people, energy, modern transportation infrastructure and a strategic regional positioning.

Trade Mission Goals

This mission aligns with PACCI's mission of boosting intra-African trade and aims to:

- **Confirm PACCI and Partners Support:** We're here to support African businesses and provide access to senior decision-makers in the Algerian government.
- **Strengthen Collaborations:** Ensure Algerian government support for existing government-to-business collaborations.
- **Listen and Learn:** Hear the needs, suggestions, and experiences of our participants, shaping African business interests in the region.
- **Inform Strategies:** Assist in the development of competitive strategies and market access through high-level information gathering.
- **Facilitate New Ventures:** Promote new sales and investments between African businesses and Algerian entities.
