In brief...

PACCI, the **Pan African Chamber of Commerce and Industry**, serves as the primary advocate for African business interests across the continent. With a membership spanning 54 out of the 55 African countries,.

PACCI's mission is centered on representing, promoting, and defending the interests of Chambers of Commerce and Industry (CCIs) and their members throughout Africa. PACCI operates as a unified platform for African businesses, advocating for policies that foster entrepreneurship, economic growth, and job creation.

Focus 2024-2026

1.

Supporting the Implementation of the AfCFTA

PACCI actively engages with policymakers, businesses, and stakeholders to advocate for measures that facilitate trade facilitation, reduce trade barriers, and unlock the full potential of the AfCFTA.

2.

Helping SMEs Strengthen and Increase their Productive Capacity

PACCI provides capacity-building programs, access to finance, market linkages, and technical assistance to empower SMEs to thrive in competitive markets and contribute to sustainable development.

3.

Promoting and Supporting Greener Industry and Trade

PACCI promotes green entrepreneurship, encourages the adoption of sustainable production methods, and supports initiatives that reduce the environmental footprint of businesses across Africa.

4.

Strengthening Women-Owned Businesses

PACCI advocates for policies that promote gender equality, supports women-owned businesses through capacity building and access to resources, and facilitates networking opportunities to enhance the participation of women entrepreneurs in trade and investment activities.

5.

Putting Digital Adoption on the Agenda

PACCI prioritizes digital adoption by advocating for policies that promote digital infrastructure development, digital literacy, e-commerce facilitation, and innovation in business practices across Africa.

To be Africa's recognized voice of businesses and a valuable resource to its members.
